Boy Scouts of America Troop 48,  
Washington District, Cradle of  
Liberty and friends

## DONORS & SPONSORS

Abington Environmental Advisory  
Council

Abington Parks and Recreation

Abington Shade Tree Commission

Abington Economic Development  
Office

Roslyn Task Force Committee

The entrance to Wall Park and the Roslyn Business Corridor in Abington Township received a face lift from Alex Pritz and Boy Scout Troop 48 and their friends. Alex is working towards his Eagle Scout Badge. Alex worked closely with the Abington Shade Tree Commission to prepare the wall of the old auto repair business for a fresh coat of paint.

Thirteen volunteers worked on the project over two weekends in September. Volunteers were also able to install a rain garden and have both projects completed for the October native plant sale and grand opening of the Grove Park education area.

The next step for the park entrance is to have a mural painted on the wall to provide maximum impact to park visitors.

**Event Date: September 2012**  
**Borough: Abington Township**  
**# Volunteers: 13**  
**# Volunteer Hours: 104**

*"All around this has been a most delightful project, which came just in time for our October native plant sale and "grand opening" of the Grove Park educational area."*

Matt Lahaza  
Abington Township
