Cumberland	Warren
Dauphin	Washington
Delaware	Westmoreland
Elk	York
Erie	

Cleanup Date: Fall 2013

Trash Removed: 459,076 pounds

Volunteers: 9,745

“Working with the International Coastal Cleanup Steering Committee and Keep PA Beautiful to coordinate the 2014 Lake Erie International Coastal event was very successful and proved to be a great network of individuals to get the job done. Building partnerships with local organizations and businesses to bringing students, families, and friends together for a sense of ownership of the resources Lake Erie provides, the International Coastal Cleanup has been nothing but a positive experience for me.”

Jacob Moore
Dept. of Environmental Protection
Coastal Resources Management Program

Keep Pennsylvania Beautiful is the statewide coordinator for the International Coastal Cleanup that runs from September through October and is the world’s largest volunteer effort to improve the health of the world’s oceans and local waterways.

Over 9,700 volunteers from 35 counties across Pennsylvania canvassed their communities and waterways to remove 459,076 pounds of trash.

Top Five types of trash collected

17,344 Cigarette Butts
4,062 Food Wrapper
3,259 Beverage Bottles
3,011 Plastic Pieces
2,018 Bottle Caps

Pennsylvanians are making a difference in the health of the world’s oceans and waterways.

Cleanup funding provided by the Department of Environmental Protection’s

Empowering Pennsylvanians to make our communities clean and *Beautiful*.
