FOR IMMEDIATE RELEASE

Keep Pennsylvania Beautiful Provides Program to Keep Local Roads and Areas Litter Free

(July 10, 2018) – Do you ever wonder who picks up all trash along roadsides? [Keep Pennsylvania Beautiful](http://www.KeepPennsylvaniaBeautiful.org) has a [statewide adoption program](#) available for residents, local groups and businesses to become part of the solution to roadside litter. The program is an option for most types of local areas, such as municipal roads, communities, parks, neighborhood blocks, greenways, waterways and trails.

According to Keep America Beautiful's 2009 National Visible Litter Survey and Litter Cost Study, litter clean-up costs the U.S. more than an estimated \$11.5 billion each year with municipalities spending more than \$790 million and counties spending \$185 million each year.

The Keep Pennsylvania Beautiful adoption program works to help mitigate the costs associated with cleaning up by encouraging local residents to take ownership of our communities. Keep Pennsylvania Beautiful provides a sign recognizing the groups or individuals who have adopted the road or area and seeks the support of the local municipalities to provide the sign post, install the sign and provide trash disposal options, as needed.

"Many communities depend on volunteers to clean up litter. Keep Pennsylvania Beautiful works hand in hand with local municipalities and counties to provide residents with the tools and resources they need to keep our communities clean and beautiful," stated Shannon Reiter, President of Keep Pennsylvania Beautiful. "Our adoption program encourages partnerships between local residents and municipalities to work together to reduce the amount of litter in our shared spaces. We are grateful for the support of municipalities and volunteers across the state."

The benefits of removing roadside litter are far-reaching. It sends a message to travelers that littering and dumping will not be tolerated, removes dangers to people, animals and equipment, makes our communities more attractive for residents, tourists and potential newcomers and increases property values and community pride. Removing roadside litter is good for everyone.

By participating in this program, you will be investing in a cleaner, more livable community.
