During the 2017 International Coastal Cleanup, held from September through October, Keep Pennsylvania Beautiful worked with local groups and organizations to mobilize nearly 14,000 volunteers from 35 counties across Pennsylvania. Organized groups, civic organizations, family and friends canvassed their communities to remove 861,655 pounds of trash and tires from Pennsylvania’s waterways and coastal regions, preventing litter and debris from making its way downstream to coastal waterways.

### Top Types of Trash Collected

- **28,209** Cigarette Butts
- **9,206** Food Wrappers
- **8,047** Plastic Bottles
- **5,817** Bottle Caps
- **2,507** Tires

---
