Dear Friends,

We are proud to be celebrating our 15th year of coordinating the Great American Cleanup of PA. Over that time, we have helped families, friends and neighbors find the tools and resources needed to clean up vacant lots and meadows, plant gardens and trees, make local playgrounds, paint murals and so much more!

We hope that you pledge to make 2018 the year that you get involved, meet new people and make a difference in your own neighborhood. Roll up your sleeves, take action and clear a path for a better tomorrow by joining neighbors across the state in the Great American Cleanup of PA.

We are here to help.
