**Giving back through an investment in
keeping Pennsylvania clean and beautiful.**

Join Us...

as we empower Pennsylvanians to keep our communities clean and beautiful.

Keep Pennsylvania Beautiful works with people who want to clean and beautify their communities by offering cleanup resources such as educational literature, cleanup safety videos, illegal dump surveys and technical assistance. The comprehensive approach includes local involvement and support at every stage of the project.

Through your support, Keep Pennsylvania Beautiful can also emphasize the crucial next steps that help ensure cleaned areas stay clean. The agency works closely with state and local government officials, businesses, civic and community leaders, churches, and schools. By harnessing the collective power of the growing network, Keep Pennsylvania Beautiful is multiplying the positive impact across the Commonwealth.

Since 1990, Keep Pennsylvania Beautiful and the affiliate network have worked with more than 2.3 million volunteers across the state to improve their communities. Since 1990, combined efforts have:

- *removed 133 million pounds of trash from our roadways, vacant lots, streams, and river banks,*
- *recycled or properly disposed of more than 918,000 tires, and*
- *been matched by more than \$4.8 million of in-kind support from businesses and community partners.*

Donate Today! Your gift, whether large or small, helps keep Pennsylvania clean and beautiful.

- ☐ **Donation** to support the Mission of Keep Pennsylvania Beautiful
- ☐ **Corporate Giving / Business Partners Annual Membership**
- ☐ Corporate Steward (\$10,000 and above)
