Keep Pennsylvania Beautiful Calls for Fresh Paint Days Pennsylvania Applications

Transform your community one gallon of paint at a time

[Keep Pennsylvania Beautiful](#) is accepting applications through June 28 for the [2019 Fresh Paint Days Pennsylvania](#), a program designed to provide community groups with paint and painting supplies enabling them to renew a community structure in need into something beautiful through the application of fresh paint. This event is held in partnership with support from BEHR paint and The Home Depot. Eight grants of up to 20 gallons of exterior paint and a gift card for painting supplies will be awarded to tax-exempt groups within the Commonwealth of Pennsylvania. Groups will have 30 days in September to complete their projects.

Keep Pennsylvania Beautiful will select the eight winning projects from among applications submitted. Selected grantees must meet the following requirements to be considered – only one building per application, proof of liability insurance, signed permission to paint from the building owner and two before photos of the intended project. Selected grantees must also agree to select a color from the BEHR paint line and provide a final report with photos capturing the work in progress, as well as after photos.

“At BEHR Paint, we believe in doing the right thing and we’re on a mission to make a difference in the communities where we live and work. Keep Pennsylvania Beautiful is an amazing organization and everyone in the community is enriched by their Fresh Paint Days efforts. We are proud to once again be partnering with them to help beautify communities across the state,” said Drew Hatcher, Contract Management Director at BEHR Paint.

“Through our partnership with BEHR and The Home Depot, Fresh Paint Days Pennsylvania empowers community groups to take a direct role in community revitalization efforts,” explains Shannon Reiter, President of Keep Pennsylvania Beautiful. “Keep Pennsylvania Beautiful is pleased to continue offering this

free program to community groups who want to revitalize their communities' one structure at a time. It is a valuable program and I want to encourage community groups in Pennsylvania to take full advantage of this great opportunity."

Applications must be received by June 28, 2019 and grants will be awarded in July.
