Name of project manager

Person who is in charge of the project. This will be the contact for project updates and final report.

_____

Project manager title _____

Project manager phone number _____

Project manager email address_____

Project Description

Please describe your proposed project.

Upload additional documents if needed at the end of the application.

_____

_____

_____

_____

How will your project provide a public benefit?

As brief examples: replanting vegetation along a stream's wetland to slow flood waters and improve water quality for communities downstream or providing education to area residents on reducing rain run-off. Upload additional documents if needed at the end of the application.

_____

_____

_____

_____

Describe your target population that will benefit from this project.

For example: age range, ethnicity, income level, etc. Upload additional documents if needed at the end of the application. Upload additional documents if needed at the end of the application.

_____

_____

_____

_____

Please describe your anticipated **outputs** for the project.

*Please describe your measurable **outputs** for this project, and how they will be measured. Some examples are: number of children educated, acres of wetlands reclaimed, miles of stream cleaned, number of trees planted, number of rain gardens installed, etc. For the application, estimates are fine. Actual outputs will be needed for the final report.*

Upload additional documents if needed at the end of the application.

_____

_____

_____

_____

Please describe your anticipated **outcomes** for the project.

*Please describe your measurable **outcomes** for this project, and how they will be measured. Some examples are: improved lake water quality, improved trout stream habitat, increased property values, reduced storm water runoff, etc.*

Upload additional documents if needed at the end of the application.

_____

_____

_____

_____

What are your plans to sustain this project?

Specify your plans for maintaining the project or for funding beyond the 2022 Healing the Planet Grant timeline. Upload additional documents if needed at the end of the application.

_____

_____

_____

_____

Who are your partners for the project, and how will you be partnering?

Upload additional documents if needed at the end of the application.

_____

_____

_____

_____

Will you engage volunteers for your project?

o Yes   o No

What is your estimated number of volunteers? _____

Organization / Agency Information

What is your organization's or agency's mission?

_____

_____

_____

_____

Briefly describe your organization/agency and its accomplishments.

Upload additional documents if needed at the end of the application.

_____

_____

_____

_____

What is your operating budget for the current year? $ _____

Project Budget

Total project budget amount $ _____

Please verify the funding request you are applying for $ _____
This should be the same as what you selected on page 1 of the application. Please change the amount selected on page 1 to match, if necessary.

       $2,500

       $5,000

       $10,000

Does your project require matching funds?
Matching funds (funds that would be in addition to this grant award) are NOT required but are preferred.

○ Yes   ○ No

Cash match amount $ _____   Cash match amount that is secured $ _____

Non-cash match amount $ _____   Non-cash match amount that is secured $_____

Please upload a detailed project budget. (Max file size 300 MB)

Please provide a brief budget narrative.

Please also explain income sources and whether matching funds are secured or pending. Upload additional documents if needed at the end of the application.

_____

_____

_____

_____

Applicant Signature
