Applications for less than \$2,500 will not be considered.

CAN MY APPLICATION INCLUDE PRE-INCURRED EXPENSES?

No expenses occurring in the past are eligible. All project expenses must occur during the project timeframe of June 2022 (award date) to June 30, 2023.

Eligible items that can be used as match funds include, but are not limited to: committed cash funds towards the project, in-kind donations, and volunteer hours (hourly rate from The Independent Sector <https://independentsector.org/value-of-volunteer-time-2021/>). Keep Pennsylvania Beautiful encourages community match. Match is preferred but **not** required.

CAN I APPLY FOR MORE THAN ONE PROJECT?

Yes. However, we encourage combining projects whenever possible into one grant application. One organization can apply for multiple levels of funding for different projects in different project areas but we can only accept one application per project. As an example ABC Organization can submit two separate applications for two different projects:

- Application 1) \$5,000 to implement rain gardens on public land in City A.
- Application 2) \$5,000 for a watershed cleanup and beautification in Township B.
- Alternatively, ABC Organization can submit one application for \$10,000 for both projects.

WHAT IF MY PROJECT WILL TAKE PLACE IN MORE THAN ONE COUNTY?

You can still submit one application for the whole project or combine multiple projects into one application, as long as all of the work areas will be in counties on the list of GIANT store locations. For the county/state selection questions on the application, please enter whichever county is the primary. Then, in the project location and project description boxes include details for all locations. For any areas that are not owned or managed by your agency/organization, please make sure to also include landowner letters of support.
