

Litter Free School Zone Tally Sheet

Use this tally sheet to keep track of the dates, number of participating students and to **estimate the number of full bags to report after each cleanup** at: keeppabeautiful.org/Programs/Education/litter-free-school-one/

Date	Number of Students	Hours Spent Cleaning Up	Multiply #Students and # Hours to get Total Volunteer Hours	Number of Items Collected for Proper Disposal <i>(use a separate sheet and clipboard to make hash marks for item collected. Sort trash by type to see what was littered most)</i>	Number of Recyclables <i>(sort your trash and determine what items are littered most)</i>	Estimate Number of Full Trash Bags for reporting to Keep Pennsylvania Beautiful <i>(use your judgment as some things take up more or less space)</i>
