The Young Ambassador of Pennsylvania Program seeks to inspire and empower youth to keep our communities clean and beautiful by providing them with resources to:

- Educate on the importance of litter prevention and other environmental efforts.
- Spread awareness of litter and illegal dumping prevention and organize community improvement efforts in their local communities.
- Network with like-minded community members and leaders to build stewardship in their communities.
- Become leaders and capacity builders ([what is capacity building?](#)) in their communities.

Keep Pennsylvania Beautiful and PennDOT invite 10th, 11th, and 12th grade students to help us keep Pennsylvania beautiful. Applicants should be passionate about the environment and committed to making Pennsylvania the best place to live, work and play through volunteerism and leadership. Applications are being accepted April 1 through June 10, 2024. If you have any questions, please email Kylie McCutcheon at kmccutcheon@keppabeautiful.org.
