Affiliate Network

Keep Pennsylvania Beautiful works through a statewide network of local affiliates, including conservation districts, recycling centers, county offices, such as planning commissions, and nonprofits that share the mission to empower Pennsylvanians to keep our communities clean and beautiful. Affiliates receive access to resources such as grants, training, technical support, and promotional opportunities, helping them organize cleanups, educational programs, collection events, beatification initiatives, like native tree planting, and other community improvement initiatives. To remain in good standing, affiliates must meet annual requirements like hosting events, submitting reports, and participating in training. Becoming an affiliate involves an application process, community engagement, and a signed agreement. Together, these affiliates form the grassroots foundation of Keep Pennsylvania Beautiful's statewide impact.

Current Affiliates include:
